

Индустриальное программное обеспечение как инструмент дигитализации.

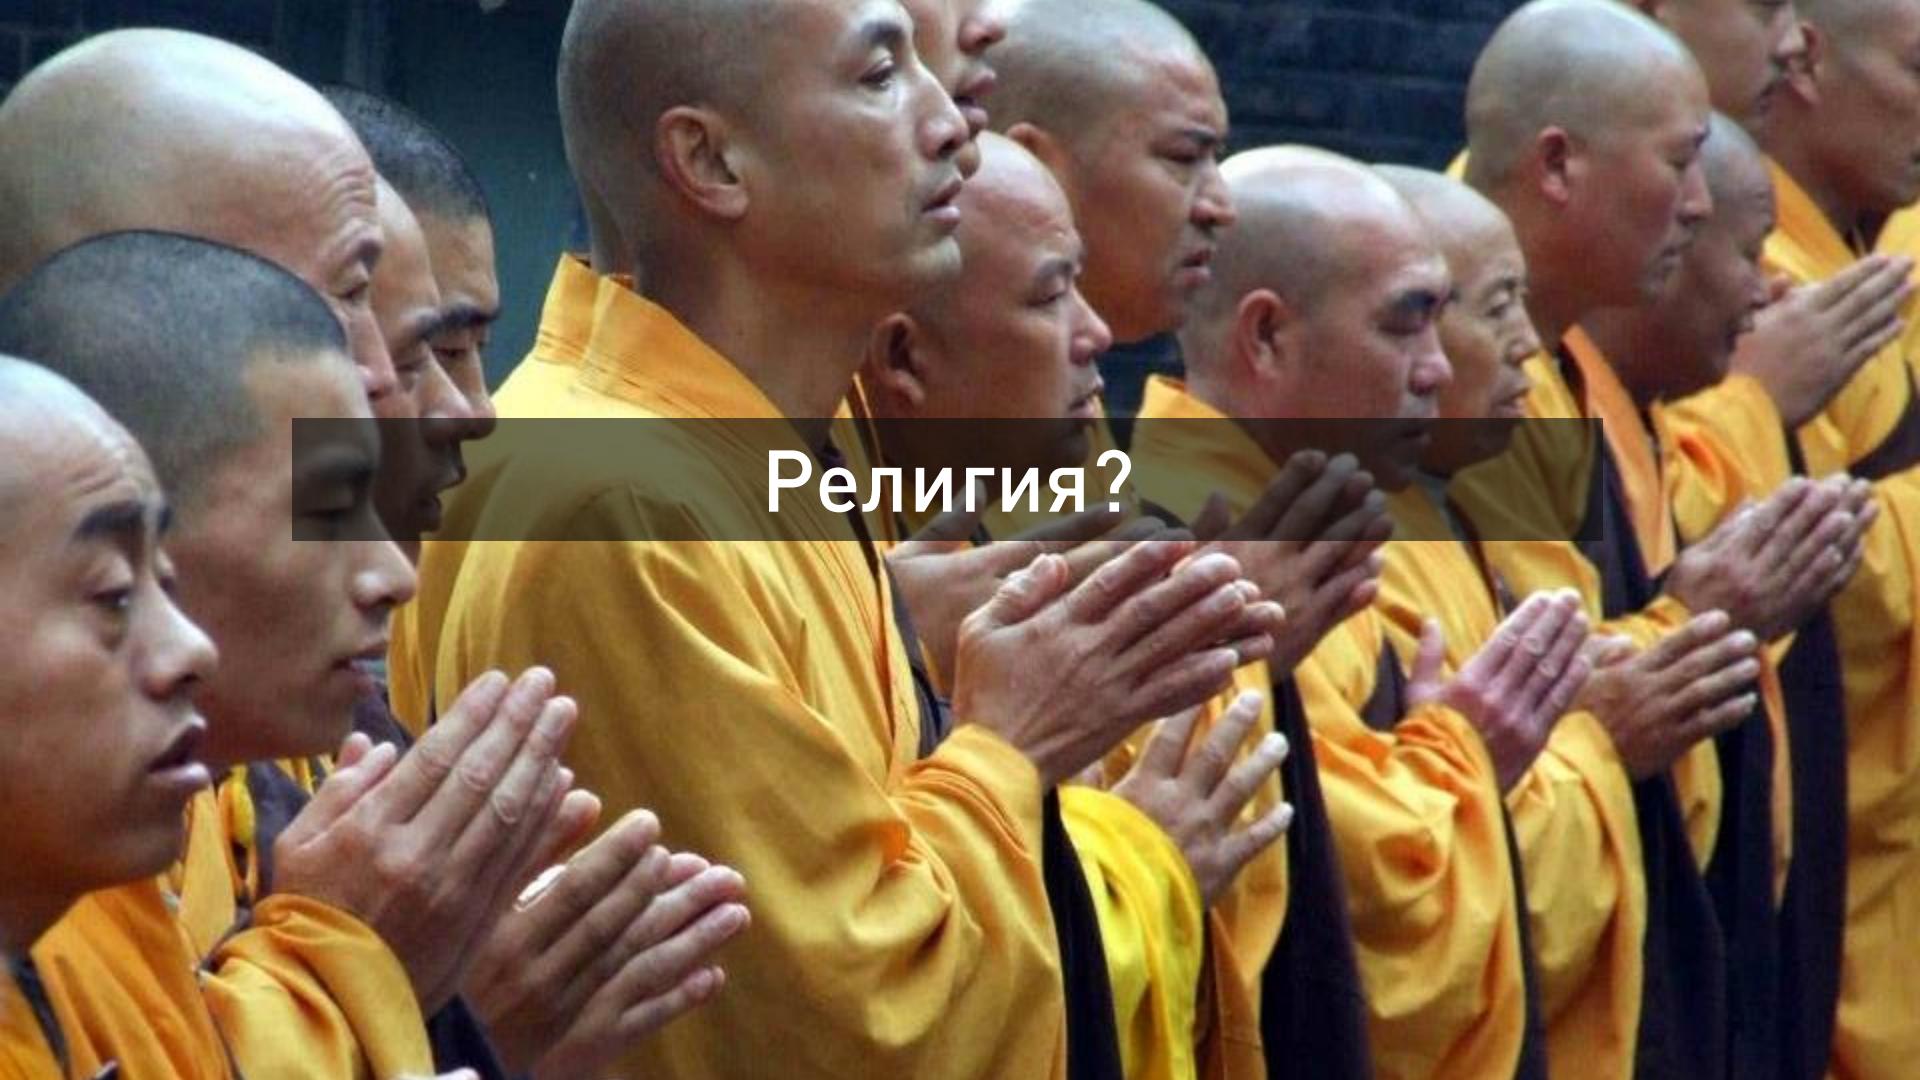

Сидоров Андрей Анатольевич, председатель совета директоров

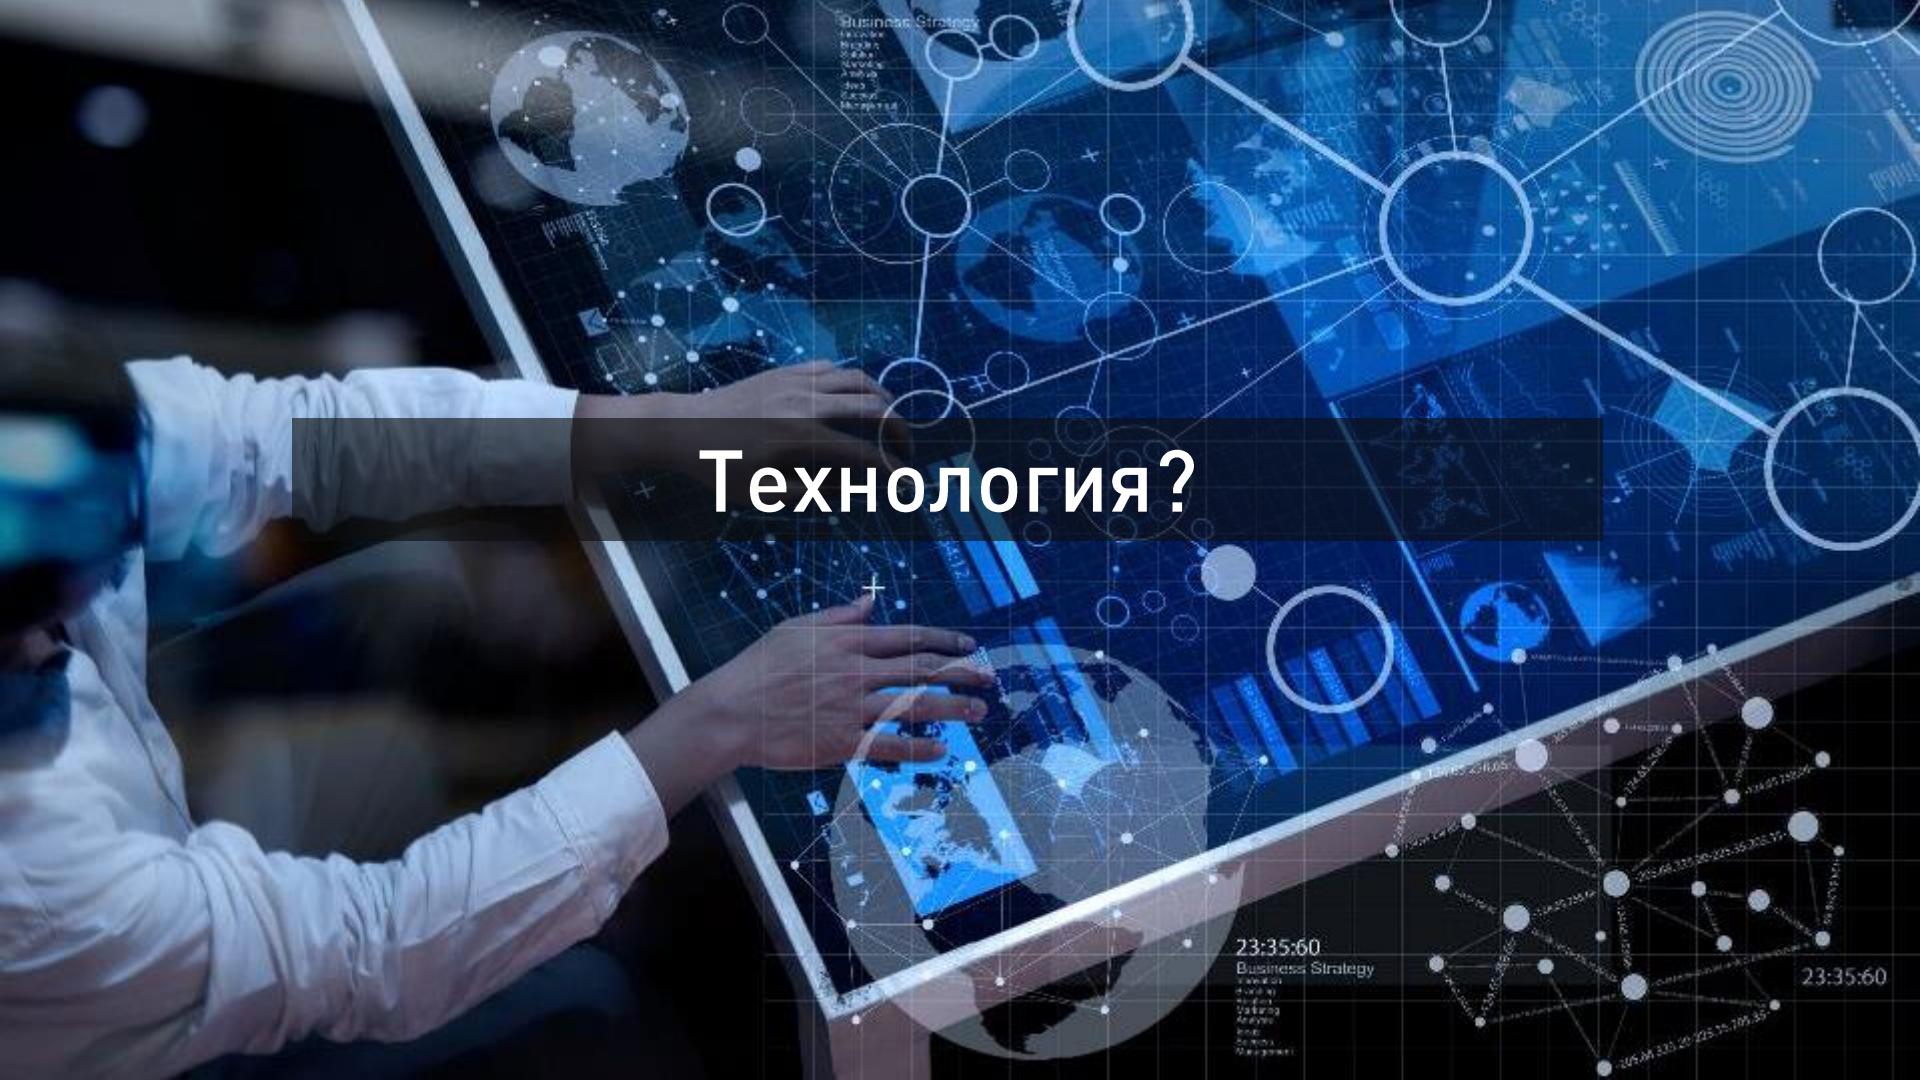

Что такое дигитализация?

A collage of six women standing side-by-side against a white background, showcasing different summer fashion looks. From left to right: 1. A woman in a light yellow sleeveless top with a floral necklace and a long, flowing purple skirt with a floral pattern. 2. A woman in a dark blue sleeveless top with lace straps and a matching skirt featuring a colorful, abstract print. 3. A woman wearing a large black floppy hat, a white top, and a green and brown patterned skirt, holding a black clutch bag. 4. A woman in a teal dress with a fur vest, a black headband, and sunglasses, posing with one hand on her hip. 5. A woman in a white sleeveless top with red embroidery and white shorts with a paisley pattern. 6. A woman in a red and white striped short-sleeved top and a red and black patterned skirt, holding a single orange gerbera flower.

Мода?

A photograph showing a row of Buddhist monks in traditional yellow robes. They are all bareheaded and have their hands clasped together in a gesture of prayer or reverence. The background is dark, making the yellow robes stand out.
